Homage to the Past

**Purpose:** To create a piece of art that shows homage to people’s past.

**Supplies:**
- Construction paper/poster board/Lined paper
- Scissors, magazines, markers, crayons, colored paper
- Pens/Paper

**What to say:**

There is a quote by Robert Frost that goes:

“In three words I can sum up everything I've learned about life: it goes on.”

However it is important to remember that even though life has gone on, the past is still important. Experiences from our past shape who we are today.

This is a chance to create art that pays homage to times in our past that have had an impact on our lives.
